

2024 UCONN LAW SCHOOL FAIR GUIDE FOR LAW SCHOOLS

Thank you for being a part of our 2024 UConn Law School Fair!
We look forward to hosting your school once again in person at the Student Union Ballroom on **October 16, 2024 from noon - 3:00 p.m.** Please review the following logistical information to prepare for your arrival to our campus.

ARRIVAL AT THE LAW SCHOOL FAIR

- Move-in time is between **10:30 am-11:45 am**. Please finish set up in time to receive visitors to your table by noon.
- A boxed lunch will be delivered to each table by 11:00am. Representatives will be provided up to one hour to finish eating at their tables or in the adjacent break room before the fair opens.

INTERACTIVE CAMPUS MAP/LOCATION OF STUDENT UNION

- An interactive map of all campus buildings is located at <https://maps.uconn.edu>.
- The Student Union address is **2110 Hillside Road, Storrs, CT 06269**. The ballroom is located on the 3rd floor in rooms 330 and 331.

PARKING

- Parking is provided in the South Garage on the Storrs Campus. The South Garage is located at **2075 Hillside Road, Storrs, CT 06269**. Exhibitors will receive an email in late September containing a link to register their vehicles for complimentary garage parking.

DISPLAYS AND COLLATERAL MATERIALS

- There will be no shipping of any materials to our warehouse for the event. We ask all law school representatives to bring displays and collateral materials with them to the fair. **Hillside Road between the parking garage and Student Union is closed to motor vehicle traffic, so if you have more materials than you can easily carry from the South Parking Garage, bringing a transport cart is recommended.**
- School representatives are responsible for shipping back any displays or materials that you wish to keep but are not taking with you. Collateral materials left behind in the ballroom will be disposed of after the fair concludes.
- Please bring shipping labels with you if needed. UConn does not provide shipping labels or assist with tracking any shipments that arrive to or depart from our event. It is recommended that you bring back any materials with you from the show because UConn does not have an onsite mail room near the ballroom to ship back any materials. You would need to identify the nearest USPS, UPS or FedEx facility to bring your materials to.

DEPARTURE FROM LAW SCHOOL FAIR

- Please refrain from packing up your table and/or leaving the event until 3:00pm, as some students arrive later to accommodate their academic course schedules.
